

Marketing

Building lasting and profitable customer relationships means executing effective, timely marketing campaigns across all of your sales channels. It's critical that your company's marketing resources are put to their best use.

Sage SalesLogix Marketing provides full-scale marketing campaign management capabilities, including targeted customer segmentation, multi-channel marketing communications, and real-time reporting, designed to target your most profitable prospects and customers and shorten your sales cycle. Capturing rich, timely data from customer interactions across your organization allows you to develop and execute meaningful marketing programs that drive results.

SalesLogix Marketing segmentation capabilities enable you to execute highly-targeted marketing activities. Execute multi-channel campaigns, such as e-mail marketing, targeting your prospects and customers with the most effective message and medium. Leads generated by campaigns are tracked within Sage SalesLogix and qualified based on the criteria you define.

Most importantly, Sage SalesLogix delivers critical marketing intelligence, like return on investment (ROI), for your marketing campaigns, so you can focus your strategy and resources on programs that deliver results for your business.
